LOCATION

Original:

Scalea is a picturesque town situated in Calabria in southern Italy, on the sunny Tyrrhenian coast. Surrounded by sea and mountains. The old town is placed on the heights and preserves the remains of an ancient wall, while towards the beach, the Scalea Marina centre has recently been developed, with modern, comfortable hotels splendid villas and numerous, fully-equipped bathing areas on the beach. These enchanting beaches look out onto a sea of incomparable beauty.

Please contact us on info@scaleavacanze.com for availability or further information of apartment.

Scalea is synonymous with seaside and holidays. Indeed, it is one of the most visited resorts in Italy. But the name of Scalea is also synonymous of culture, history and folklore. During the Swabian, Angevin, Aragonese and Spanish era, Scalea became an important fief and a centre of study, which was gradually enriched with monuments and works of art, most of which can still be admired today. The 13th century Palazzo of the Spinelli Princes (XIII century), which belongs to the Town Council, is the most important building of the lower part of the old Town Centre. In the old hamlet the main "street" is an attractive stairway that begins in piazza De Palma: it is a natural amphitheatre. Well worth a visit are the Norman Castle, the Palazzo Palamolla, of Renaissance inspiration and the Torre Cimalonga, Aragonese style building, now the seat of the "Antiquarium". Scalea is on the Cedro Riviera, which is in the Cosenza Province in the Calabria region of Italy.

In the Cosenza Province of Calabria is Scalea, an old town surrounded by breathtaking views of mountains and seas. The Tyrrhenian coast is ideal for sunbathing on sunny beaches and swimming through crystal blue sea. Tourists also unwind in the recently modernised Scalea Marina Centre, where visitors enjoy fine dining at classy restaurants, unwind in splendid villas, and use fully-equipped bathing areas which overlook the Mediterranean Sea.

Rich culture, ancient history, and fascinating folklore await discovery in Scalea. See timeless monuments and art pieces produced during the town's period as an important study centre in past eras. Visit the 13th Century Palazzo of the Spinelli Princes, the Town Council's prized possession. Walk the attractive stairway that begins in Piazza De Palazzo Palma, a natural amphitheatre. Explore Palazzo Palamolla, the Norman Castle of Renaissance inspiration, and Torre Cimalonga, an Aragonese style building acting as the Antiquarium's seat.

No wonder Scalea is one of the most popular Italian resorts! The town suits every taste, whether you wish to laze on tranquil beaches, trace Scalea's ancient history, socialise at local bars or enjoy thrilling rides at the waterpark. There is a special part of Scalea for everyone, including you.

For only 250 Euros a week, you'll have access to the best of southern Italy whilst staying within walking distance from local amenities, including the supermarket and bar. This provides the perfect balance between bustling tourist attractions and quieter local communities.
